

Pick Ups across South Wales

Introducing our new pick up system based on your postcode, which gives a clearer indication of your home pick up charge areas. Clients with a CF postcode will be offered a free home pick up. Certain NP & SA postcodes will also entitle you to be picked up free of charge, whilst others will carry a charge per person. The table below gives you a guide to our pick up charge areas and are subject to location within that postcode. Any postcodes not listed, please ring for availability and an estimate. We are still offering free pick up points that are not home based.

In conjunction with Cardiff Bus, you can now travel free to and from your Cardiff city centre pick up point on any Cardiff Bus service with a valid Edwards Coaches Travel Ticket, for both your outward and return journey. Simply show the driver this travel ticket when you board the Cardiff Bus, or if you have an all Wales concessionary pass, present it to the driver in the normal way
